# Quick Start

1 Download

On your mobile phone, download the Nighthawk app and follow the setup instructions.

2 Secure

Tap the **Security** icon in your Nighthawk app to verify that NETGEAR Armor™ is activated.

Your Nighthawk comes with NETGEAR Armor cybersecurity. Armor blocks online threats like hackers and phishing attempts on your devices.
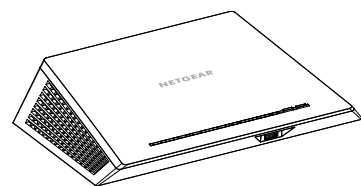

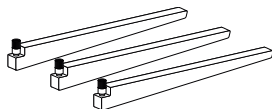

3 Explore

Check out everything you can do on the Nighthawk app! Pause the Internet, run a speed test, set smart parental controls, and more.
