Overview

The NETGEAR G54/N150 Wireless Router (WNR1000) offers a simple and secure way to share your Internet connection for web, email and social networking. This router delivers good wireless speeds of up to 150 Mbps and is a good router for small to medium-sized homes. And, the WNR1000 is backward compatible with Wireless-G (G54) networks for a hassle-free connection. The WNR1000 includes features such as Live Parental Controls for safer web surfing on connected devices and NETGEAR genie® home network manager for easy installation and home network management.

NETGEAR genie® Home Networking Simplified

- Home network manager
- Makes any printer AirPrint® compatible to print from an iPad® or iPhone®
- MyMedia™—Find & play media files in your network
- EZ Mobile connect—Scan QR code to connect to your home network
- For PC, Mac®, iPhone®, iPad®, & Android™ devices

NETGEAR®

Speed

Speed makes your devices really go. And anyplace you need speed, with NETGEAR you got it. Downloads speeds up to G54/N150 Mbps. WiFi technology provides home coverage.

Good WiFi Speed

N150 WIFI —Faster than 802.11g & compatible with 802.11b/g/n

WiFi Range

Homes come in all shapes and sizes. The NETGEAR G54/N150 Wireless Router provides good WiFi connectivity throughout your home for your Internet enabled devices.

Good WiFi Range

RANGE—For small to medium-sized homes

Sharing

Relive memories and share them with others. Find photos, videos and music stored on a shared USB hard drive. If it's secure and shared storage access you want NETGEAR has easy ways to do it.

Share & stream your movies, music, photos

WIRELESS- G/N—Email, chat, surf,music, video

G54/N150 Wireless Router

Ease Of Use

NETGEAR makes it easy to do more with your digital devices. Manage your network with genie® App— a personal, icon-based dashboard that can control and monitor all your devices. Or, use Push 'N' Connect to add devices to your WiFi network with a push of a button. And the simple browser-based installation with no CD makes router installation easy using an iPad, tablet, smartphone, or computer.

Simple network management

EASY INSTALL—Easy setup for iPad®, tablets, smartphones & computers

NETGEAR GENIE® APP—Personal dashboard to monitor, control & repair your home network

PUSH 'N' CONNECT—Easy push button WiFi connections (WPS)

WIFI & POWER ON/OFF—Convenient power savings

Security

Keep your Internet browsing experience safe and secure with the free parental controls. It allows you to limit access to certain web sites at certain times. For example no social networking or gaming site access after dinner time. Guest networks create a completely separate WiFi network for your guests' devices, ensuring they do not have access to your home network or to the shared USB hard drive with all your personal data. Secure WiFi connections offer the highest level of WPA/WPA2 security.

Safeguard your network

PARENTAL CONTROLS—Safer web surfing for all your connected devices

GUEST NETWORK ACCESS—Separate & secure access for guests

SECURE WIFI CONNECTIONS—Highest level wireless security with WPA/WPA2
Applications

With the G54/N150 Wireless Router create a good home network for applications such a fast reliable connection to the Internet and a secure wireless connection.

Ideal Uses

EMAIL, CHAT, SURF, MUSIC, VIDEO—Enjoy a fast, reliable and secure wireless connection to the Internet
