

Nighthawk® Mobile Fast Charger

Fast Charging for Nighthawk Mobile Hotspots

The Nighthawk Mobile Fast Charger is a powerful and efficient charging solution for your Nighthawk Mobile Hotspot or other USB-C devices. With support for multiple fast charging protocols and advanced safety features, this charger ensures that your devices power up quickly and safely.

Key Features

- **27W Power**—Fast charging for your mobile hotspot to keep you on-the-go.
- **Multiple Fast Charging Protocol Support**—Compatible with various fast charging standards (QC4.0 and PD3.0) for broad device compatibility.
- **Smart Over-Current/Over-Voltage Protection**—Integrated safety mechanisms to safeguard devices from power surges and fluctuations.
- **Thermal Management**—Optimized heat dissipation and temperature control for efficient and safe charging.
- **Compact and Portable Design**—Lightweight and space-saving design for convenient travel and everyday use.
- **Wide Compatibility**—Supports a broad range of USB-C powered devices, including smartphones and tablets.

Technical Specifications

- Input: 100-240V, 50/60Hz, 1.0A
- Output: 5V/3A, 9V/3A, 12V/2.25A
- Max power: 27W
- Fast charging protocols: USB PD 3.0, Qualcomm QC4.0+, PPS
- Safety features: Over-current protection, over-voltage protection, short circuit protection

Compatibility

- Compatible with M3, M6, M6 Pro, M7, M7 Pro, and M7 Ultra
- Compatible with any device that supports QC4 and PD charging

Plug Types

- Plug Type A: U.S.A., Canada, Japan, Mexico, Central America
- Plug Type C: Europe (excluding UK & Ireland, Asia, South America)
- Plug Type G: UK, Ireland, Malaysia, Singapore, Middle East
- Plug Type I: Australia, New Zealand, China, Argentina
- NOTE: Many countries have variations or use combinations of these plug types.

Usage

- Simply plug the charger into a wall outlet and connect your device using a USB-C cable. The charger will automatically detect your device and deliver the optimal charging speed

Package Contents

- Nighthawk Mobile Fast Charger (MHPADPT)
- Worldwide plugs

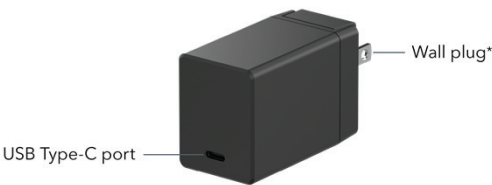

Physical Specifications

- Dimensions: 43 x 34 x 65 mm (1.69 x 1.34 x 2.56 in)
- Weight: 82 g (.18 lb)

Compliance

- Compliant with industry safety and efficiency standards, including UL62368-1, FCC Part 15 Class B, and DoE Level VI
- Meets various environmental standards, such as RoHS and REACH
