Quick Start

NIGHTHAWK®

1

On your mobile phone, scan the QR code to download the Nighthawk app and follow the setup instructions

If you used the Nighthawk app before, go to the dashboard and tap the top left menu, then SET UP A NEW NIGHTHAWK SYSTEM.

NETGEAR

2

Check your network security with NETGEAR Armor™

NETGEAR Armor protects your family's WiFi with an automatic shield of security across your connected devices.

Tap the Security icon in the Nighthawk app to explore your Armor subscription and protection score.

Troubleshooting

If you're having problems with the installation, you can try these tips:

- Turn off your modem and router and disconnect them. Reboot your modem. Reconnect your router to your modem and try installing with the Nighthawk app again.
- If you're still unable to install your router using the Nighthawk app, manually install it using the router web interface at http://www.routerlogin.net.

You can also find more setup help online at netgear.com/meshhelp.
