or visit **att.com/device-support**

For detailed instructions on alternative setup methods like fixed installation, visit **NETGEAR.com/attm8usermanual**.

To purchase an external antenna or additional batteries, USB cables, and power adapters, visit **NETGEAR.com/mobileaccessories**.

NETGEAR Insight Pro's cloud-based management platform allows you to remotely manage, deploy, and configure enterprise mobile hotspot devices with complete visibility. For more information, visit **NETGEAR.com/insight/mobile-hotspot**.

For regulatory compliance information including the EU Declaration of Conformity, visit **NETGEAR.com/about/regulatory**. See the regulatory compliance document before connecting the power supply. For NETGEAR's Privacy Policy, visit **NETGEAR.com/about/privacy-policy**. Where permitted by law, by using this device, you are agreeing to NETGEAR's Terms and Conditions at **NETGEAR.com/about/terms-and-conditions**. If you do not agree, return the device to your place of purchase within your return period.

FCC regulations restrict the operation of this device to indoor use only. This device is prohibited from being operated on oil platforms, cars, trains, boats, and aircraft, except it can be operated in large aircraft while flying above 10,000 feet in the 5.925-6.425 GHz band. Transmitters in the 5.925-7.125 GHz band are prohibited from operating to control or communicate with unmanned aircraft systems. AP mode is available only when the device is powered by AC adapter connected to AC mains.
