

# Phoneline 10X

creates your home network with no new wiring

## Phoneline 10X PCI Adapter

PA301

**NETGEAR** Phoneline adapters allow you to transform the existing phone lines in your home into a high-powered computer network. Just install an adapter in each computer and plug it into a telephone wall jack—phone cable is included. Within minutes you can play multi-player games, share files and printers, and even access the Internet on all the computers in your home at the same time. Just like you do at work or at school. All this without installing any new wires in your home! And **NETGEAR**'s "do-not-disturb" technology is conscious of your phone use, so you can enjoy continuous data exchange without any disruption to your phone service.

### COST-EFFECTIVE

Uses the existing phone wiring in your home, so no expensive new installations are required.

### GENEROUS

Lets you share your Internet account, files, and printers among multiple PCs.

### HIGH-SPEED

Provides you with a 10 Mbps network that's equivalent to a typical corporate network connection. Share information on your home network with the efficiency of a professional network!

### MULTIFUNCTIONAL

Makes it possible to use your networked computers and talk on the phone at the same time.

### CONVENIENT

Allows access to your printers and scanners from anywhere in your home.

Help is there when you need it!

NETGEAR provides free, 24x7

telephone and e-mail technical

support in English with selected

local language support during

office hours.

Windows 95 OSR2  
Windows 98, 98-E  
Windows NT  
Windows 2000

### **Standards Compliance**

Home Phone Networking Alliance (HPNA)  
1.0 compatible  
Microsoft Windows 95, Windows 98  
compatible  
PCI Plug and Play compatible

### **Dimensions**

L 12 cm (4.75")  
W 7.1 cm (2.875")

### **Weight**

100 g (.22 lb)

### **Network Interface**

Dual RJ11

### **Status LEDs**

Link status, activity

### **Operating Voltage**

+5V +/- 5% @ 650mA maximum  
Power consumption: 2W (max)

### **Environmental Specifications**

Operating temperature: 0 to 55°C  
Operating humidity: 10 to 90%  
non-condensing

### **Electromagnetic Emissions**

FCC Part 15 Class B

### **Warranty**

Limited lifetime warranty

## **PACKAGE CONTENTS**

PCI card  
10-foot telephone cable  
Quick Installation Guide  
FirstGear CD  
Warranty card  
Contact card
