

LET'S GET STARTED

NIGHTHAWK™

1

On your mobile phone, scan the QR code to download the Nighthawk app and follow the setup instructions

If you used the Nighthawk app before, go to the dashboard and tap the top left menu, then SET UP A NEW NIGHTHAWK SYSTEM.

2

Check your network security with NETGEAR Armor™

NETGEAR Armor protects your family's WiFi with an automatic shield of security across your connected devices.

Tap the SECURITY tile in your Nighthawk app to explore your complimentary Armor trial and protection score.

3

Do more with the app

Check out everything you can do on the Nighthawk app! Pause the Internet, run a speed test, set smart parental controls, and more.

NEED HELP?

If you're having problems with the installation, you can try these tips:

- Turn off your modem and router and disconnect them. Reboot your modem. Reconnect your router to your modem and try installing with the Nighthawk app again.
- If you're still unable to install your router using the Nighthawk app, install it using the router web interface. Visit routerlogin.net to access the router web interface.

You can also find more setup help online at netgear.com/routerhelp.

SUPPORT AND COMMUNITY
