

NETGEAR[®] CENTRIA[™]

The Center of Your Digital Home

WNDR4700/WNDR4720

BEST OF
CES 2012

FINALIST

c|net

Simplify your digital home with NETGEAR CENTRIA. Easy to set up, use and manage, CENTRIA is an all-in-one device with 3 essential functions. It's an Automatic Back-Up system for your PC & Mac[®] that safeguards all of your data; a Media Server that centrally and securely stores your media and is accessible from any Internet-enabled device; and a high-performance N900 WiFi router.

Available in two models — Model WNDR4720 comes with an internal 2TB hard drive, while Model WNDR4700 is storage-ready — just add your own hard drive into its internal storage bay. The internal hard drive can be easily upgraded anytime. Both models come with two SuperSpeed USB 3.0 ports for adding even more storage, should you need it. An SD card reader affords simple, single-click backup of media to the internal hard drive.

All-in-One

NETGEAR CENTRIA. Back-up. Share. Connect.

BACK-UP AUTOMATICALLY

With CENTRIA you can effortlessly set-up all your computers—PCs and Macs—to automatically and continuously back-up to your home network.

Easily safeguard your files & media

Automatic, continuous back-up for your PC & Mac®

Removable, easily upgradeable hard drive¹

SuperSpeed USB 3.0 ports for expanded storage—up to 10X faster than USB 2.0

Single-click SD card back-up

SHARE EASILY

With CENTRIA you can relax knowing all of your digital media is safe in one place, stored securely on your home network and easily accessible—at home or away—with any Internet-enabled device, even your smartphone.

Share & stream your movies, music, photos

Find & play your media on DLNA TVs, game consoles and more

Use your mobile device to control & play your media

Create a personal cloud for secure, remote access

Share your USB hard drive and multi-function printer

CONNECT QUICKLY
