

Boost your existing WiFi range

- Dual band WiFi up to 1200 Mbps
- Two range extenders for twice as much coverage
- Supports new 802.11 ac & b/g/n WiFi devices
- High-power external antennas for better performance

Overview

NETGEAR AC1200 WiFi Range Extenders boost your existing network range, delivering AC dual band WiFi up to 1200 Mbps. They work with any standard WiFi router & are ideal for HD video streaming & gaming. These Range Extenders are the world's smallest AC1200 wall-plug extenders. Get the connectivity you need for iPads®, smartphones, laptops & more.

Boost AC1200 WiFi

Improve the range of your existing WiFi network.

External Antennas

For better WiFi coverage.

Two WiFi Modes

Extend existing WiFi connection or create new WiFi access points.

Simultaneous Dual Band WiFi

Extend 2.4 & 5GHz WiFi up to 1200 Mbps & reduce interference.

FastLane™ Technology

Use both WiFi bands to establish one super high speed connection; ideal for HD streaming & gaming.

Ethernet Port

Connect a wired device like a game console or a smart TV to your WiFi network.

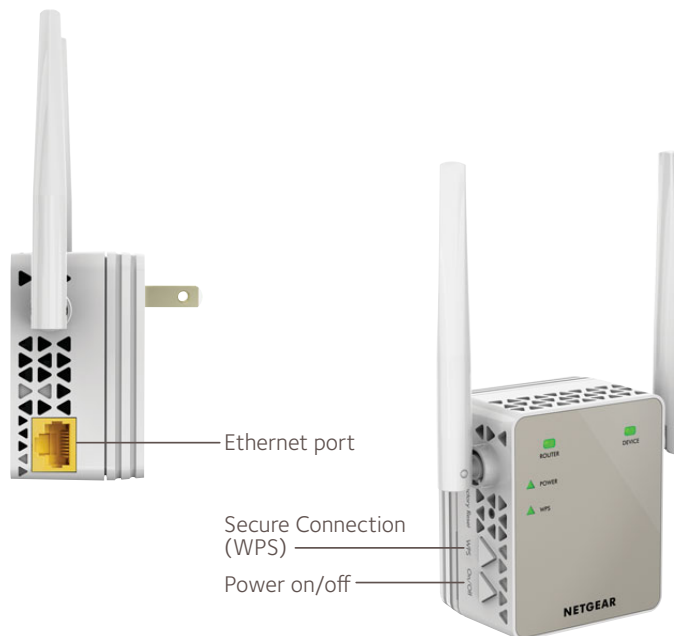

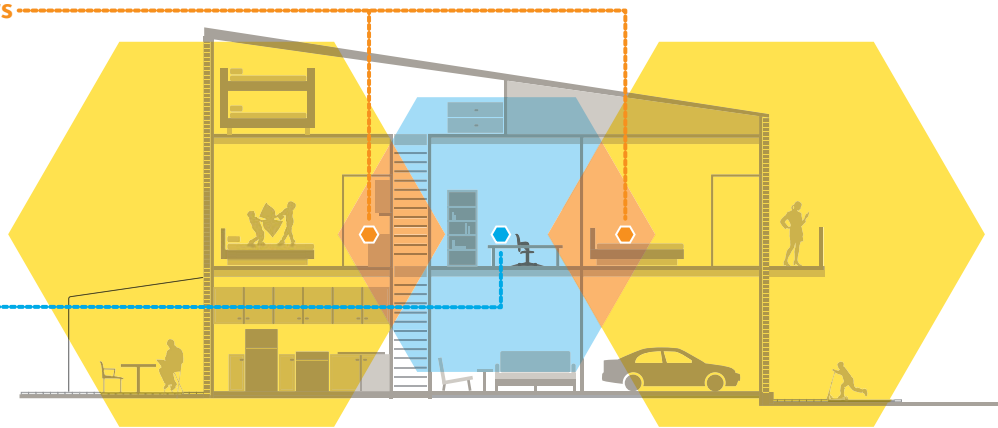

WiFi Range Extenders boost your existing WiFi & deliver greater wireless speed & coverage to where WiFi signals are weak. Improve your home's WiFi and get better connections for iPads®, smartphones, laptops & more.

WiFi Range Extenders

Boost the range of your existing WiFi & create a stronger signal in hard-to-reach areas.

Existing WiFi

Sometimes your router does not provide the WiFi coverage you need.

WiFi Analytics App

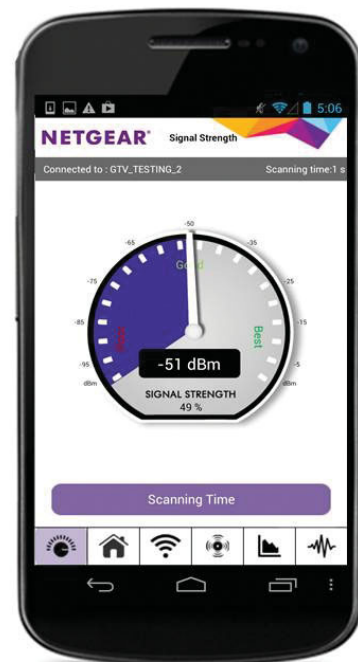

How strong is your WiFi signal? Use the NETGEAR WiFi Analytics app & get advanced analytics to optimize your existing or newly extended WiFi network. Check your network status, WiFi signal strength, identify crowded WiFi channels & much more!

Here's what you can do with the WiFi Analytics App!

- Get a network status overview
- Check WiFi signal strength
- Measure WiFi channel interference
- Keep track of WiFi strength by location
- and more...

PACKAGE CONTENTS

- Two (2) AC1200 WiFi Range Extenders (EX6120)
- Quick start guide

PHYSICAL SPECIFICATIONS

- Dimensions: 55.17 x 67.17 x 39 mm (2.17 x 2.64 x 1.54 in) each
- Weight: 130 g (0.29 lb) each

WARRANTY

- www.netgear.com/about/warranty

SUPPORT

- 24/7 basic technical phone support for 90 days from date of purchase

EASE OF USE

- CD-less setup—great for mobile devices
- Push 'N' Connect using Wi-Fi Protected Setup® (WPS)¹

SYSTEM REQUIREMENTS

- 2.4 and/or 5 GHz 802.11 ac & b/g/n wireless router or gateway
- Microsoft® Internet Explorer 8.0, Firefox® 20, Safari® 5.1, Google Chrome 25.0 browsers or higher

SECURITY

- Wi-Fi Protected Access® (WPA/WPA2-PSK) and WEP

STANDARDS

- IEEE® 802.11 b/g/n 2.4 GHz
- IEEE® 802.11 a/n/ac 5 GHz
- One (1) 10/100 Mbps Fast Ethernet port with auto-sensing technology

This product comes with a limited warranty that is valid only if purchased from a NETGEAR authorized reseller.

*24/7 basic technical phone support provided for 90 days from purchase date.

¹Works with devices supporting Wi-Fi Protected Setup™ (WPS). Data throughput, signal range, and wireless coverage per sq. ft. are not guaranteed and may vary due to differences in operating environments of wireless networks, including without limitation building materials and wireless interference. Specifications are subject to change without notice. The product may not be compatible with routers or gateways with firmware that has been altered, is based on open source programs, or is non-standard or outdated.
