

**I hereby accept – on behalf of my company (hereinafter “Licensee”) - the following GENERAL CONDITIONS OF LICENSE for this Software:**

- 1.** Infineon hereby grants to Licensee a world-wide, non-exclusive, non-transferable, non sublicensable, royalty-free, license to use, copy, modify or have used, copied, or modified this Software in source code and in connection with Infineon devices which are compatible with this Software only.
- 2.** Licensee shall use all commercially reasonable efforts to protect the source code. Licensee shall in particular not disclose the source code to any third party or make the source code available to any third party.
- 3.** This Software is provided “as is” without any warranties or representations of any kind, whether expressed or implied, including without limitation, warranties or representations of workmanship, merchantability, fitness for a particular purpose, durability, that the operation of this Software will be error free or free of any third party claims, including without limitation claims of third party intellectual property infringement.
- 4.** The Licensee shall consider this Software in any event as confidential, wether marked as Confidential Information or not, and shall maintain it in confidence.
- 5.** Infineon shall only be liable for its wilfull acts or gross negligence. Any further liability of Infineon for any damages of any kind, including without limitation damages arising out of business interruption or lost revenue, loss of profits, cost of capital, or any special, incidental, punitive, indirect or consequential damages, shall be excluded.
